The Busy Corner.

# November is the Month of Merchandising.

It is the centre of attraction for fall and winter. Changes must be made in the way of warmer garments, such as this month demands. Thoughtful mothers anticipate the needs of those under their care. Household needs is also a matter which good housewives have under their consideration. Our store to-day is the shopping home where every need can be supplied. Let us suggest to you. Information costs you nothing. We are ever ready to tell of the many different stocks, complete with all the newness of the season.
